NIVEAU 1 :

Je sais placer les papillons au bon endroit sur un quadrillage :

 <input type="checkbox"/>	 <input type="checkbox"/>	 <input type="checkbox"/>
 <input type="checkbox"/>	 <input type="checkbox"/>	 <input type="checkbox"/>
 <input type="checkbox"/>	 <input type="checkbox"/>	 <input type="checkbox"/>
 <input type="checkbox"/>	 <input type="checkbox"/>	 <input type="checkbox"/>

Objectif : être capable de savoir placer les papillons au bon endroit sur un quadrillage (repérage dans l'espace).

Compétence associée : Situer des objets par rapport à soi, entre eux, par rapport à des objets repères.
